MagCharger Range

The Magcharger is definitely the lighting tool of choice amongst industry professionals. Recently upgraded to a NiMH Battery with 34% more storage capacity it is now more environmentally and user friendly.

Accessories for the Magcharger can be bought as part of a complete pack with the Magcharger torch, or individually.

Accessories Include:

- Charging Cradle
- 120 Volt Converter
- 12 Volt Power Adaptor
- Rechargeable Battery
- Mounting Brackets

MagLite & LED Ranges

MAGLITE 3D CELL

The 3D Cell Maglite is a popular and reliable alternative to the Magcharger. It comprises all of Maglites trademark qualities, but utilizing D Cell batteries. This torch is available in a range of colours and ranges in size from 2D up to 6D. Maglite torches are also available in C Cell batteries from 2C up to 4C. All torches are covered by the Maglite 10 Year Limited Warranty.

MAGLITE LED RANGE

Known for its quality and reliability the Maglite has now excelled with LED technology. The torch has a powerful projecting LED Beam with a rotating head to focus and balance high brightness with extended battery life. Available in 2, 3 & 4 D Cell it is sure to be a valued addition to your collection of lighting tools. LED Technology is also available in the MiniMaglite AA Cell Flashlight.

Mini MagLite & LED Ranges

MINI MAGLITE AA

The MiniMaglite range is available in 2 AA, AAA and Solitaire (single Cell AAA), making it a handy torch for the home or workplace, with the Solitaire even fitting on a key ring. The MiniMaglite is available in a range of colours and is covered by the Maglite 10 Year Limited Warranty.

Also available in Gift Boxes.

MINI MAGLITE LED

The Mini Maglite LED flashlight delivers performance oriented features in a sleek compact design. This advanced lighting instrument is driven by the next generation of MAG-LED technology. The Multi-Mode Electronic switch offers two different power settings - a maximum-power setting that yields maximum brightness and a 25% power setting to conserve battery power for reading at night, or for a prolonged emergency.

Did you know???

Rescue Systems stocks a range of Spare Parts, Accessories and Globes, along with a range of other Maglite Products.
